

FISH 3000

The Newest Addition to the Safety Knife Company's Product Line

Featuring Manual Retractable Blade Hook for Additional Safety!

1. To expose the hook blade, place your thumb behind the lever at the top of the knife.

2. Push the lever until it locks into place, fully exposing the hook blade.

3. Once the hook blade locks into place, it is ready for use.

4. To unlock/retract, push backward on the lever until it pops up.

5. Once unlocked, release the lever and the hook blade will safety retract into the knife.
